2. Line-ups turned in to an umpire at the start of each game must consist of a minimum of 8 players
3. Half of a team's submitted lineup must be affiliated with Our Lady of the Lakes School ("OLL"), including at least (1) one OLL affiliated female. Not meeting this minimum player requirement at the start of any game will result in a forfeit.
  - a. In the event of an odd number lineup, the lineup requirement will be rounded up (e.g. an 11 player submitted lineup must have a minimum of 6 OLL affiliated players [5 males, 1 female])
  - b. Affiliation is defined as: current parent, past parent, alumni, and/or staff of OLL
4. At least one woman must play a defensive position; position is up to each team's discretion
  - a. If a woman is not on the field defensively, that team will start their next at bat with 2 outs
5. If a male is walked with a female on deck, the female player has the option to bat or advance to first automatically
6. There is no homerun limit, however, only HR designated players are allowed to hit a homerun. Each team will be provided one courtesy homerun by a non-HR designated player. Any subsequent HR by a non-HR designated player will result in an automatic out. (see HR Band document for specific rules and how to purchase)
7. In the event of an injury, a player can be substituted with only a player from the team roster. If a substitution cannot be made, that injured player will result in an automatic out for the remainder of the tournament
8. A team can use any number of designated runners from their turned in roster, however, that designation cannot be changed for the remainder of the game (e.g. if Michael is chosen as Ernesto's designated runner, Michael can ONLY run for Ernesto in that game).
  - a. A batter MUST reach first base safely on their own prior to being replaced by their designated runner
9. All tournament participants will be required to check in at the registration tent and sign a waiver prior to the start of their first game
10. Participants are not allowed to switch teams during the tournament for any reason
11. No foul language or aggressive behavior towards umpires, other players, and spectators will be tolerated. First offense will result in a warning, with a second offense resulting in the player/players involved being eliminated from the tournament. Any subsequent issue with any remaining player from the same team will result in the entire team being eliminated from the tournament.
12. Tournament is double elimination
13. A maximum of 12 teams are allowed entry
14. A maximum of 10 players will be allowed on the field defensively
